BURST-18 P

A S S I G N M E N T

WHEREAS, we, Mark O. Worthington, Gregory R. Basile, and James R. Norton, residing respectively at 13841 Tustin East #183, Tustin, California 92780, 2918 Maydelle, Farmers Branch, Texas 75234, and 19321 Fisher Lane, Santa Ana, California 92705, have made an invention in:

METHODS AND APPARATUS FOR OPTICAL DISC DATA ACQUISITION USING PHYSICAL SYNCHRONIZATION MARKERS

and have made provisional application for United States Letters Patent therefor, the same having been filed in the United States Patent and Trademark Office on August 23, 1999 as United States Provisional Application No. 60/150,288; and

WHEREAS, BURSTEIN LABORATORIES, INC., a corporation organized and existing under the laws of the State of Delaware and having an address of 15375 Barranca Parkway, Suite I-101, Irvine, California 92618, is desirous of acquiring the entire interest in said invention, said United States provisional patent application and in any Letters Patent which may be entitled to the benefit thereof;

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) to us paid, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign, and transfer unto the said BURSTEIN LABORATORIES, INC., its successors, assigns and legal representatives, all right, title, and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said United States provisional patent application, including any nonprovisional patent applications claiming the benefit thereof and any continuations and divisions thereof, and any substitute applications therefor, and any patents which may issue thereon, and any reissues of the same, and including the

right to claim priority under the International Convention based on said provisional patent application; and all right, title, and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations, and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same; and we hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said BURSTEIN LABORATORIES, INC., as the assignee of the entire interest therein; and I further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, we have hereunto signed our names on the dates indicated hereinafter.
